

Denise Bustamante "77"

okay, Denise, I'll write here to please you! I'm glad I got to know you in that class which I'm not supposed to mention, which I won't mention. We had some interesting talks. I hope you have good luck in the future, for that is what I wish for you. Just remember, Denise, God has someone specially picked out for you already, and when He wants you to meet him, you will. Don't get impatient or anything, like I did. Just live your life and give someone a chance to come along. Don't look for someone or he'll never come. That's just something I learned and wanted to share with you because I care very much about you. As a matter of fact I love you! Don't ever forget that. If you ever need someone to talk to, just give me a call: 245-2147. I'd be a very willing listener. I hope you have a great summer, as well as future. Take care and may God be with you always. Hope to see you again sometime. Love ya, Denise. Thank for everything... for sharing all you have with me.... your life.... your problems.... your love and friendship. Take care of yourself. And remember - don't ever wear your heart on your sleeve, or everybody will come along and rub their snotty little noses all over it! Take it easy, or.... whatever..... love always,

✂ Laurie (Laurann) Toney

Denise, Well, we've been through alot this year with good ol' Jim and all the best. Thanks for all your help! you're such a great person! I hope you never change. Be careful in life and keep in touch. So many times when we graduate we lose touch with all those who were our friends. You're really a dear. Good luck in your life & in your ~~future~~ (purs)

Love ya

Margaret

Love ya -
Margaret

Denise,
Well, I didn't see you too much this, which is a real bummer. Graduation day is coming up real soon. We'll have to keep in touch. Trust, maybe we'll become close buddies again! Love ya -
Margaret

Denise,
 we have gone through
 a lot of years together and
 they have been pretty damn
 good years. I'll never forget the
 time John took us to the jambouille.
 Him and his snake together. I'll never
 forget. We will get together this summer
 and go visit good looking. I can't wait to see
 him again. I'll see you will meet
 and have 12 kids. We will grow
 to be lawyers like John. We will grow
 374-4446. Be sure to call me. I really would like to see
 you and so would my sister & Mark. Hope you show up
 at the 5 year reunion.

Love Cathy McAdom '77"

Denise, nice to
 see you again. I have
 had you didn't have
 any classes together when many were
 all the birthday parties so we
 we were young. I wish you the
 memories to chase the future.
 at Cherry Chase in Care. Love
 just of luck.

Hi Denise -
 Well this year really went by
 fast huh? I guess I had
 a pretty good time in high school.
 Remember when we used to hang
 around with Mary Sue? Now that
 seemed like a while back huh?
 Well I never know what to write in these
 books so just let me say Good Luck
 in Life. Hope to see you this summer. Bev

- Denise - well we've finally made it. I can't believe we're really graduating, can you? Denise, we've been friends for so long and we've been through so much. I'll never forget all the long talks we've had and all the funny things that have happened to us. I know I'll never forget all the things we've been through and I hope you won't forget either. I hope you won't forget the group "QUEEN" cause we got many good laughs out of them. We've done so much cruising I suppose I couldn't even name all the places. Remember all the times we cruised through Mike Wire's court. That was great. We always did those damn doughnuts. They all started at De Anza's good old parking lot. We had a blast driving through De Anza's campus and getting caught by the campus cops. Don't forget about "Ma-am, are you alright?" "Yea"! That was a crack-up. How about the big riggle on Mike's car. (I never did tell anyone) Thank-you for helping me out with my Mike Wire problems, I really appreciate it. Don't forget our car accidents on the same day. How about our double dates with Harry and Mark. What a laugh. Don't forget William (WILMA) and her fish food eye. (algee). I had so many great laughs with you I can't name them all. I hope you've had enough fun as I had. How about the lady in little-men's market. (I know this is getting messy so you better put on your glasses). Don't you love those Damn Pacers (the old fish bowls) I had a good time at Steve Henderson's and I hope you did too. Ed-malone is a crackup. I kinda like old EDDIE SULLIVAN. We had a lot of fun at those baseball games. I know your brother hates me so don't worry about this rickin' our relationship. (Anyways I don't care!) We have got to keep in touch because whether you know it or not I want you in my wedding when ever it is. You have really helped me out this year and you made my senior year more fun. We'll go out a lot this summer and get some good laughs. I still haven't seen a star is born yet so we'll have to go out and see it. Right now I'm really happy because Mark and I are getting along really good. I hope you find what you're looking for out of life, I know you will. I really understand about my brother and I hope he never hurts you. Mike Will is a really nice guy and I admit I really did like him. You really helped me out with him. I always knew you'd understand and I'm glad you did. Denise, I can't tell you how much I

I WISH THEE

What shall I wish thee
 for the coming year?
 Twelve months of dreamlike ease?
 no care? no pain?
 Bright spring, calm summer,
 autumn without rain
 Of bitter tears? Wouldst have
 it thus, my friend?
 What lessons, then, were learnt
 at the year's end?

What shall I wish thee then?
 God knoweth well
 If I could have my way
 no shade of woe
 Should ever dim thy sunshine;
 but I know
 Strong courage is not learnt
 in happy sleep,
 Nor patience sweet by eyes
 that never weep.

Ah, would my wishes were
 of more avail
 To keep from thee the many jars
 of life!
 Still let me wish thee courage
 for the strife,
 The happiness that comes from work
 well done--
 And, afterwards, the peace
 of victory won!

The Greater Thing

Great it is to believe the dream
When we stand in youth by the starry stream;
But a greater thing is to fight life through
And say at the end, "The dream was true".

Homecoming spirit flies high

The spirit week of '76 was filled with strong inter-class competition ending with the Class of '78 receiving the Spirit Award for the second consecutive year. Escorted by principal Gerald Figgins, Diana Baker, last year's Homecoming Queen, came back to crown this year's winner, Nina Matsuno. The Homecoming Dance, "Mele Mai Kakaou", sponsored by Key Club, ended the week with the spirit of the islands as people danced to the sounds of Maya.

The music of "Hush" was heard by many matching couples as Cascadia's sponsored the annual Sadie Hawkins Dance. Mike Vonderach won "Mr. Irresistible" while Trudy Atkeson and Mike Ogdon won "Best Costume". Marryin' Sam, portrayed by science teacher Mr. Fred Calvelli, performed numerous marriage ceremonies throughout the evening.

SPIRIT & SPORTS

We've got spirit . . .

Led by Head Cheerleader Sarah Avellar, the 1976-77 spirit squads had a most rewarding season, with the combined efforts of Head Songgirl Cheryl Schneider, Head Lettergirl Yolanda White and Head Junior Varsity Cheerleader Shelly Grant. A long with recapturing the Spirit Bell all the spirit squads did exceptionally well at camp by bringing home many awards, spirit sticks and blue ribbons. All are under the direction of Miss Jennifer Hicks.

Varsity . .

The Varsity had a fair season with an overall record of 4-4-1 and a league record of 3-3. The team is rebuilding from last year's inexperienced squad. Mike Larsen had a good year until the injury to his knee. Steve Zankich had another good season with help from signal caller Duane Conn. Next year looks very promising with the return of many seasoned juniors and sophomores.

Outcome reveals better times ahead

The Junior Varsity team finished the season with a record of 5-3-1. This was impressive compared to last year's record. The wins came mainly from the outstanding team effort of backs Lane Lewis, Mark Kibort and Jeff Hicks. The Gridders star blocking effort came from Jeff Yeager, Bob Goodwyn and Rick Slater. Kenny Pauley, Larry Pott, and Mike Hicks were a main factor in the team's strong defense. The Frosh team has many hopeful prospects to add to the J.V. team next year.

Denise, well its that time of the year again
here we are sitting at the beach again. I'll have a
blast getting the kids you and Alex coming
up. I hope to continue on for you, but I know
it will end sometime. (I hope not). I'll know well
have a blast in the summer and good luck
in Texas. I'll know how you feel about it and I
know it will work out together or later if it doesn't
already. Well I guess I gave it a go so try with
me. I'll never seem to work. I'll know
No, I'll not let it continue. Good luck in college
for all your help & patience. I'll know you
and you're coming for the very best. Just think how
happy we will be for the very best. I'll know
we can go to the game through the whole whole
summer. I'll not let you to know your very best
friend. I'll not let a blast. I'll go forever.

Yours always
Blasted Blast.

P.S. I'll sign my
name to make it
official.

Steve Malone.

Byunahen Remember!

Dear Denise,
Do you remember the first time
I met you? We were in per.
reading with Mrs. Cox. Yuck.
That was fun, anyway. I'm
super glad that I got to
meet you. The story was fun,
too. A good luck in the
future year! Let's keep in
touch. 1939-1920
